

Getting started – Number Code Flex ^{ONLINE}

Step 1: Go to the login page.
www.flexprogram.net

Step 2: Login with your customer information

Customer login

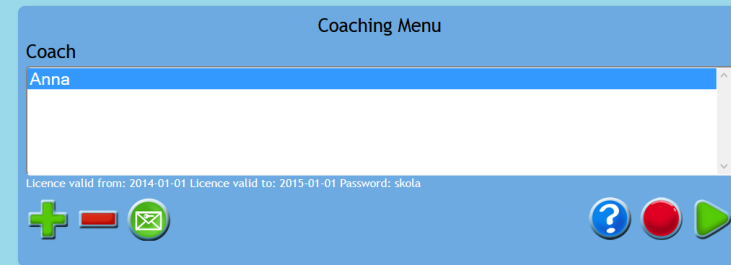

Customer name

Customer password

Home icon, Red stop button, Green play button

Type your customer name and password, then click on the green arrow.

Step 3: Create a coach

Coaching Menu

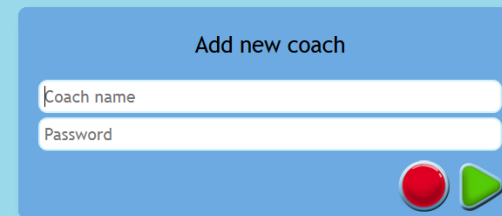

Coach

Anna

Licence valid from: 2014-01-01 Licence valid to: 2015-01-01 Password: skola

+ - ✉ ? ● ▶

Click on the plus sign in the menu.

Add new coach

Coach name

Password

Red stop button, Green play button

Choose any name and password. Click on the arrow.

Step 4: Send the direct link - coach

Show web link - coach

Copy and save the link below in order to arrive directly to the profile login. You can also choose to enter an email address in the box to which you want the link to be sent. By using the direct link the trainee will only need profile name and profile password to start training.

Here you can either click on the arrow, or type your email address to get a direct link to the coaching menu.

Step 5: Login with your coach name.

Coaching Menu

Coach

Licence valid from: 2014-01-01 Licence valid to: 2015-01-01 Password: 1

Select your coach (in this example the trainer Richard)
Click on the arrow. Then type your password.

Step 6: Create a pupil profile

Profile menu

Profiles

Programme: Junior - C Day: 1 Password: 123

Click on the plus sign in the menu.

New profile

Layout	Gender	Age	Mascot
Junior	Girl	8	1
Programme	Story mode		
C	No		

Includes 28 exercises that train number sense, the mental number line, pattern recognition and number bonds. The training takes about 30 minutes per day. Suitable for children ages 8-9.

Name

Password

  

Here you type the name of the person who is going to train and other information. When you have entered age you a recommended training programme will be selected (although there are more to choose from by clicking to the right).

Step 7: Send the profile's direct link

Profile's direct link

Copy and save the link below in order to arrive directly to the profile login. You can also choose to enter an email address in the box to which you want the link to be sent. By using the direct link the trainee will only need profile name and profile password to start training.

Here you can either click on the arrow or type the student's mail address to get a direct link for the student. This can be useful if the student will train at home or on their own computer/tablet.

Step 9: Start training!

Click on the game piece to start training!

Step 8: Log in a student

Profile menu

Profiles

Harry

Sara

Programme: Junior - C Day: 1 Password: 123

Choose the student who will do the exercise (in this example Harry) and click on the green arrow. Then enter the student's password and click on the green arrow.

Tip!
